

January 1, 2010

Dear Prospective Partner:

Thank you for the work that you do in our community and for taking time out of your schedule to consider supporting the Pebblebrook Jr. Falcons Association.

The Pebblebrook Jr. Falcons Association is a chapter of the 501(c)(3) nonprofit organization Amateur Advocate Association, Inc. founded in 1983. The Pebblebrook Jr. Falcons Association currently provides four (4) recreational programs in the Mableton/Austell area: **Jr. Football, Jr. Cheerleading, Jr. Track & Field** and **Jr. Basketball**.

The Pebblebrook Jr. Falcons Association's program provides encouragement for the students in our Mableton/Austell community. The athletic programs along with our "Life Skills" programs provide healthy after school outlet for the students participating in our programs.

Our goals are to provide the best facilities and equipment possible for our young athletes; so it is necessary to ask and accept your generous support to make this program successful. All contributions to the Pebblebrook Jr. Falcons Association are tax deductible. Products, services and supplies that can be used for fundraisers, raffles, and refreshments are appreciated and acceptable also.

The Jr Falcons Association is happy to provide more details about our partnership program upon request, and open to ideas that can improve our service to the Mableton/Austell community. We look forward to hearing good news from your organization and like to thank you in advance for helping us build a stronger program and community.

Sincerely,

Albert McRae III
